about eDigital

400+ thousand visitors in the last year

5+ thousand subscribers

Whether you are a mark tech vendor or marketing services provider, you know how complex is to be part of the modern marketer's purchase journey. To be successful at reaching, earning preference and encourage marketers to trial or purchase your products, your brand needs to be in the right places at the right time when marketers are looking for relevant advice, insights and information.

Reach marketers on the eDigital website

Powered by our dedicated team of digital marketing specialists, content creators and writers; we offer best practices and solutions most marketers are searching for.

eDigital publishes niche, practical, actionable and carefully crafted digital marketing content that gets amplified on our social media channels.

about our content

eDigital is a niche digital marketing site reaching marketers in key English speaking countries.

We understand digital marketers' most pressing issues and challenges and the content they want to consume.

Our content is carefully crafted for practical problem solving, offering marketers real solutions and opportunities.

We offer the perfect environment for MarTech vendors who want to connect with marketers via premium content pieces.

Every week, eDigital publishes new, relevant and trending marketing content to ensure marketers can access the best practices, actionable tips and practical advice.

We keep asking the same questions:

What are the most popular /recurrent digital marketing issues and challenges marketers want to solve?

What are the top best practices, tips & tools digital marketers can use regardless of their level of expertise?

content types

1. **Homepage takeover.** We promote your brand on our homepage.

2. **Expert Q&A:** we interview your CEO, or CMO to bring new exclusive insights about a trending topic.

3. **"Best of" List:** we feature your company as one of the top options for a specific need.

4. **Vendor review:** we review your offer and write an article about it.

5. **Educational content:** promote your state of the industry report, whitepaper, comparison sheet or eBook.

6. **PR & News amplification:** promote a new feature, integration, partnership or acquisition.

7. **Event promotion:** promote your upcoming event, podcast, keynote presentation, webinar or product release/launch.

8. **Offer:** promote your specific offers, deals, promotions or discounts.

9. **Topic 101:** promote a basic guide.

10. **Case study:** promote the great work achieved for a happy client.

11. **Product demos:** promote your live product demo session.

12. **"How to buy"** guide: offer professional advice on how to buy a specific product/service.

13. **Infographic:** promote your infographic via an exclusive visually impactful article.

14. **"Back of House"** article: reporting from the view of a pro marketer about a specific topic, tool or challenge
